

# *My Declaration of Trust*

*I declare that I choose to trust  
God/The Universe/Life/The Infinite  
so I can...*

**Free myself from making decisions rooted in fear.**

**Be peaceful and loving and attract more of the same.**

**See the truth, which is love, in all circumstances and situations.**

**Be spiritually equipped wherever I am and wherever I am guided to go.**

**Receive inspired wisdom.**

**Take inspired action.**

**Experience synchronistic events.**

**See opportunity when it knocks on my door.**

**Know that I am divinely guided at all times.**

**Live my life on my own terms.**

**Be my authentic Self.**

**Feel at home in this temporary home called my body.**

**Let my light shine for all the world to see.**

**Finally awaken to Who I Am.**

**Love myself and others unconditionally.**
